# Online Resources

## Keeping your information updated is extremely important to help our members find you.

We publish demographic information in our online provider directory. The directory is available on our website at [www.bcbsla.com](http://www.bcbsla.com).

- Addresses (location information)
- Phone numbers
- Accepting new patients
- Providers working at certain locations
- Information about telehealth services

For professional providers to be listed in our directories, they must be available to schedule patients' appointments a **minimum of 8 hours per week** at the location listed.

It is the contractual responsibility of all participating providers keep their information current with Blue Cross. To report changes in your information, use the **Provider Update Request Form**. Our Provider Credentialing & Data Management Department will work with you to help ensure your information is current and accurate.

### HMO Louisiana Signature Blue Network Speed Guide

This guide will help you quickly locate key information about the Signature Blue Network, which consists of a select group of physicians, hospitals and other allied providers. Some Signature Blue providers are contracted for limited services only. Please refer Signature Blue members to providers within the network so they receive the highest level of benefits. **Benefit plans in this network vary. Please verify member benefits before rendering services.**

Please also refer to the **Professional Provider Office Manual**, which is available online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers) >Resources.

**Signature Blue Member ID Card**  
Prefix: CBS, QSE, QBG and QBS

**Service areas for the Signature Blue Network**

**Admitting Privileges**  
Members receive a lower level of benefits when using a facility that is not in the Signature Blue Network. Providers—who are required to have admitting privileges—must have admitting privileges to at least one of the following hospitals to be a part of the Signature Blue Network:

- New Orleans Area**
  - Children's Hospital
  - East Jefferson General Hospital
  - New Orleans East Hospital
  - Touro Infirmary
  - University Medical Center
- New Orleans Area**
  - Jefferson
  - Orleans

**Maternity Admissions**  
Maternity admissions do not require authorization if the inpatient stay is 48 hours or less for vaginal delivery and 96 hours or less for cesarean section delivery. Member receives the highest level of benefits when services are performed at a Signature Blue facility.

**Submitting Claims Electronically**

# Our Networks

Blue Cross offers several provider networks that are tied to our members' benefit plans. These networks include:

- Preferred Care PPO
- HMO Louisiana, Inc.
- Blue Connect
- BlueHPN
- Community Blue
- Precision Blue
- Signature Blue
- Blue Advantage (HMO) | Blue Advantage (PPO)
- Ochsner Health Network

Our Identification Card Guide Provider Tidbit is a guide to identify members' applicable networks when looking at the ID card. Go to [www.bcbsla.com/providers](http://www.bcbsla.com/providers), click "Resources," then "Provider Tidbits."

Identification (ID) cards are useful tools for members and providers. They are designed to assist you in identifying the member's type of coverage. Always ask for a copy of the member ID card at each visit. Please always verify the member's eligibility, benefits and limitations prior to providing services. To do this, use iLinkBlue ([www.bcbsla.com/linkblue](http://www.bcbsla.com/linkblue)).

### Preferred Care PPO

**Prefix: Varies**

Our Preferred Care PPO network includes hospitals, physicians and allied providers. Members with PPO benefit plans receive the highest level of benefits when they receive services from PPO providers.

Preferred Care PPO members are identifiable by the Blue Cross and Blue Shield of Louisiana logo and "Preferred Care PPO Network" printed on their ID cards. The "PPO-in-a-suitcase" logo identifies the nationwide BlueCard® Program. For more information, view the *Preferred Care PPO Network Speed Guide*, available online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers) > Resources.

Preferred Care PPO ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card.

### HMO Louisiana, Inc.

**Prefix: Varies**

HMO Louisiana, Inc. is a wholly owned subsidiary of Blue Cross and Blue Shield of Louisiana. The HMO Louisiana provider network is a select group of physicians, hospitals and allied providers who provide services to individuals and employer groups seeking managed care benefit plans. The HMO Louisiana network is offered statewide.

HMO Louisiana allows members to choose from both HMO and Point of Service (POS) benefit plans. Members pay a lower copayment when they receive services from primary care providers (PCPs). For more information, view the *HMO Louisiana, Inc. Network Speed Guide*, available online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers) > Resources.

The main identifier of an HMO Louisiana member is the HMO Louisiana logo in the top left corner of the ID card. Cards also indicate the product type as either an HMO Plan or HMO/POS Plan.

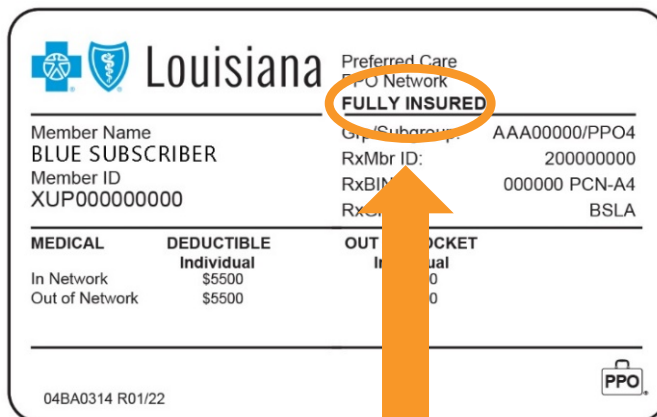

HMO Louisiana ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card. Fully insured HMO Louisiana members must select a primary care provider.

BlueCard® is a national program that enables members of any Blue Cross Blue Shield (BCBS) Plan to obtain healthcare services while traveling or living in another BCBS Plan service area. The main identifiers are the prefix and the “suitcase” logo on the member ID card.

---

The suitcase logo provides the following information about the member:

The PPOB suitcase indicates the member has access to the exchange PPO network, referred to as BlueCard PPO basic.

The PPO suitcase indicates the member is enrolled in a Blue Plan PPO or EPO product.

The empty suitcase indicates the member is enrolled in a Blue Plan traditional, HMO, POS or limited benefits product.

The HPN suitcase logo indicates the member is enrolled in a Blue High Performance Network<sup>SM</sup> (BlueHPN) product.

# National Alliance Members (South Carolina Partnership)

- National Alliance groups are administered through BCBSLA's partnership agreement with Blue Cross and Blue Shield of South Carolina (BCBSSC).
- BCBSLA taglines are present on the member ID cards; however, customer service, provider service and precertification are handled by BCBSSC.
- Claims are processed through the BlueCard program.

We publish a list of these groups (with prefixes) in iLinkBlue ([www.bcbsla.com/ilinkblue](http://www.bcbsla.com/ilinkblue)) under the "Resources" section.

The impact on your patients when you refer Blue Cross members to out-of-network providers include:

- higher cost shares (deductibles, coinsurances, copayments)
- no benefits for some members
- balance billing to member for all amounts not paid by Blue Cross if the provider is non-participating

You can find network providers to refer members to in our online provider directories at [www.bcbsla.com](http://www.bcbsla.com) >Find a Doctor.

If a provider continues to refer patients to out-of-network providers, their entire fee schedule could be reduced.

Network providers should **always** refer members to other **network** providers.

- Referrals to out-of-network providers result in significantly higher cost shares (deductibles, coinsurance and copayments) for our members and is a breach of your Blue Cross provider agreement.
- Providers who consistently refer to out-of-network providers will be audited and may be subject to a **reduction** in their network reimbursement.

- All of our network providers should refer members to preferred reference lab vendors when lab services are needed and are not performed in the office.
- If you perform laboratory testing procedures in your office, we require a copy of your Clinical Laboratory Improvement Act (CLIA) certification.
- HMO Louisiana, Blue Connect, Community Blue, Precision Blue and Signature Blue physicians may perform a selection of lab tests from our In-office Lab List.

The ordering/referring provider NPI is required on all laboratory claims. Place the NPI in the indicated blocks:

- CMS-1500: Block 17B
- 837P: 2310A loop, using the NM1 segment and the qualifier of DN in the NM101 element

The In-office Lab List is available in our *HMO Preferred Reference Lab Guide* which is available online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers) >Resources >Speed Guides.

## What is an Administrative Representative?

- An administrative representative is a person at your organization who has registered with Blue Cross to designate user access to our secure online services.
- They only grant access to those employees who legitimately must have access in order to fulfill their job responsibilities.
- Your administrative representative must grant a user access to the following:
  - iLinkBlue
  - BCBSLA Authorizations
  - Behavioral Health Authorizations
  - Blue Advantage Provider Portal
  - Pre-Service Review
- One administrative representative is required to self-manage user access to our secure online services, but we recommend each organization assign more than one.

If you do not have an administrative representative registered with Blue Cross, please fill out and submit the Administrative Representative Registration Packet, which can be found on our Provider page ([www.bcbsla.com/providers](http://www.bcbsla.com/providers)).

Need access to iLinkBlue?

## Does your organization have an administrative representative?

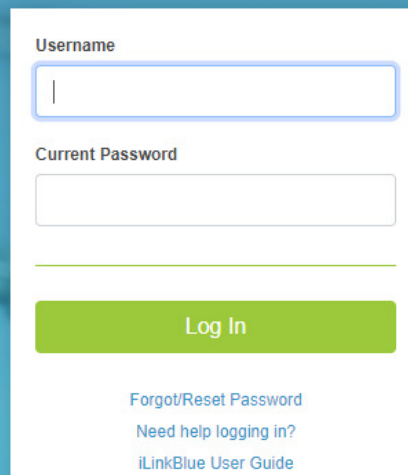

- Reach out to your organization's administrative representative to request access.
- The administrative representative will use the Delegated Access application in iLinkBlue to set up your appropriate level of security access to iLinkBlue.
- Deeper levels of security may include member eligibility and coverage research, submitting claims, and/or access to secure authorization applications.

- Self designate at least one administrative representative at your organization.
- Complete the Administrative Representative Registration Packet. It is available online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers) >Electronic Services >Admin Reps.
- Contact our Provider Identity Management (PIM) Team at [PIMteam@bcbsla.com](mailto:PIMteam@bcbsla.com) or 1-800-716-2299, option 5 with questions.

## Logging in for the first time:

- Password must be reset.
- Click on the “Forgot/Reset Password” button.
- Follow the prompts, enter your username and click the “Request Password” button.
- The system will send you an email to reset your password. Click on the link in the email. Follow the prompts.

Passwords must be eight positions and contain a number, an uppercase letter, a lowercase letter and one special character (~! @#\$%^&). Do not use your browser's password manager function to save or store your password. This can prevent you from changing your password when it expires.

iLinkBlue accounts that are not accessed for 180 days are locked due to inactivity. **Reach out to your administrative representative to have your account reset.**

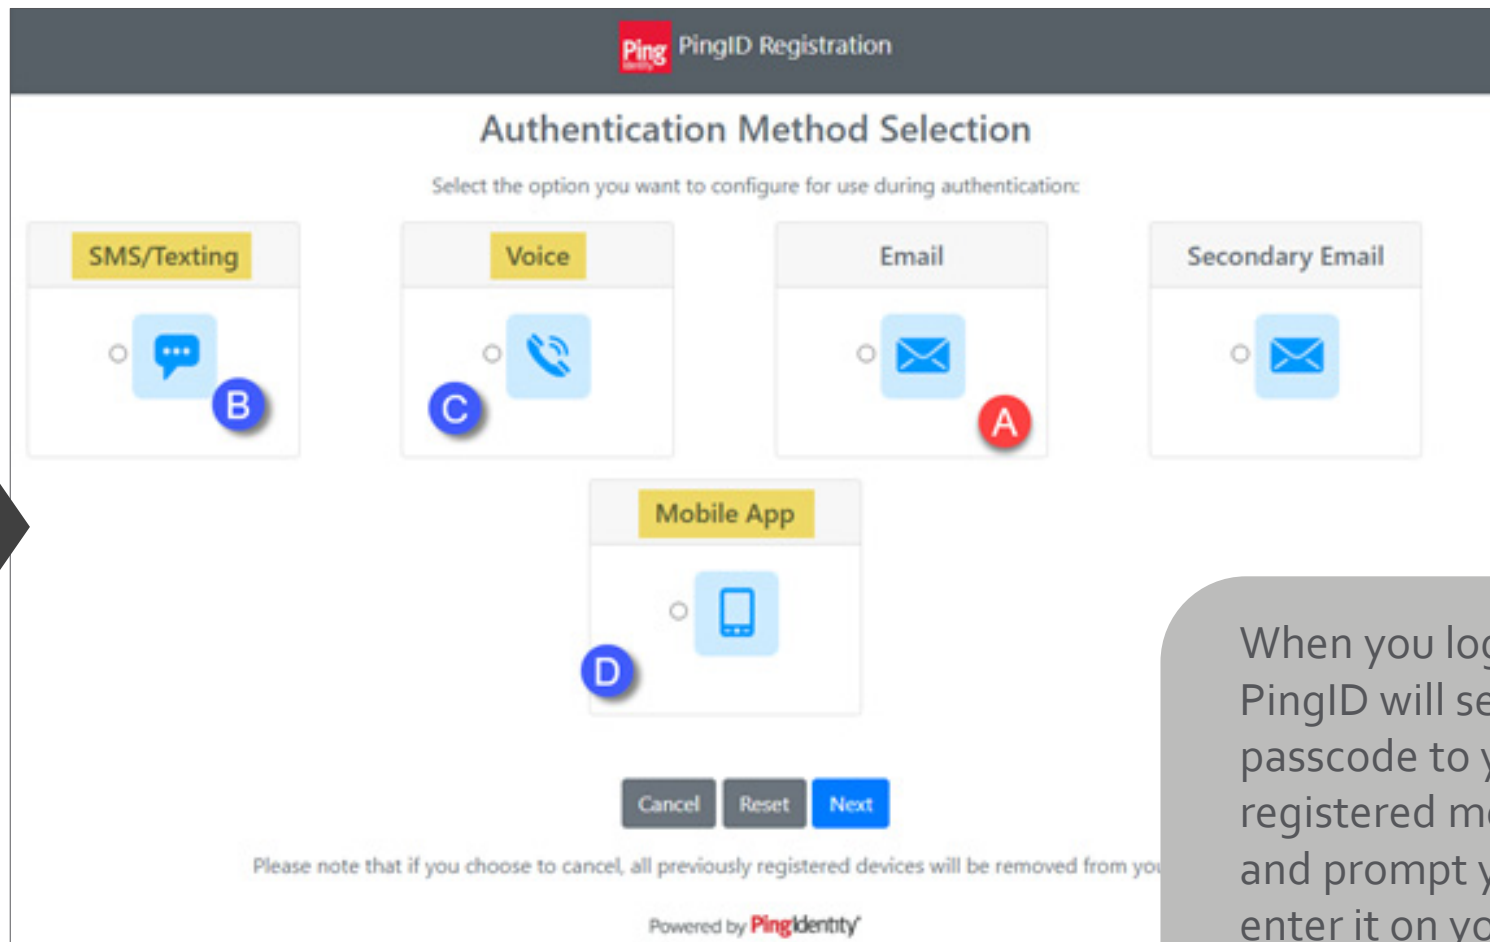

If you are the administrative representative and need your password reset, reach out to the Provider Identity Management (PIM) Team.

**Phone:** 1-800-716-2299, option 5  
Monday – Friday 7:30 a.m. to 4 p.m.

**Email:** [PIMteam@bcbsla.com](mailto:PIMteam@bcbsla.com)

Multi-factor authentication (MFA) is required to securely access iLinkBlue. MFA is a security feature that delivers a unique identifier passcode via email, text and other formats. To set up MFA, you must register an authentication method with PingID.

The screenshot shows the 'PingID Registration' interface for 'Authentication Method Selection'. The title 'Authentication Method Selection' is centered, with the instruction 'Select the option you want to configure for use during authentication:' below it. There are five selectable options, each with a radio button and a lettered label: 'SMS/Texting' (labeled B), 'Voice' (labeled C), 'Email' (labeled A), 'Secondary Email', and 'Mobile App' (labeled D). The 'Email' option is highlighted with a red circle. At the bottom, there are 'Cancel', 'Reset', and 'Next' buttons. A note at the very bottom states: 'Please note that if you choose to cancel, all previously registered devices will be removed from you'. The footer says 'Powered by PingIdentity'.

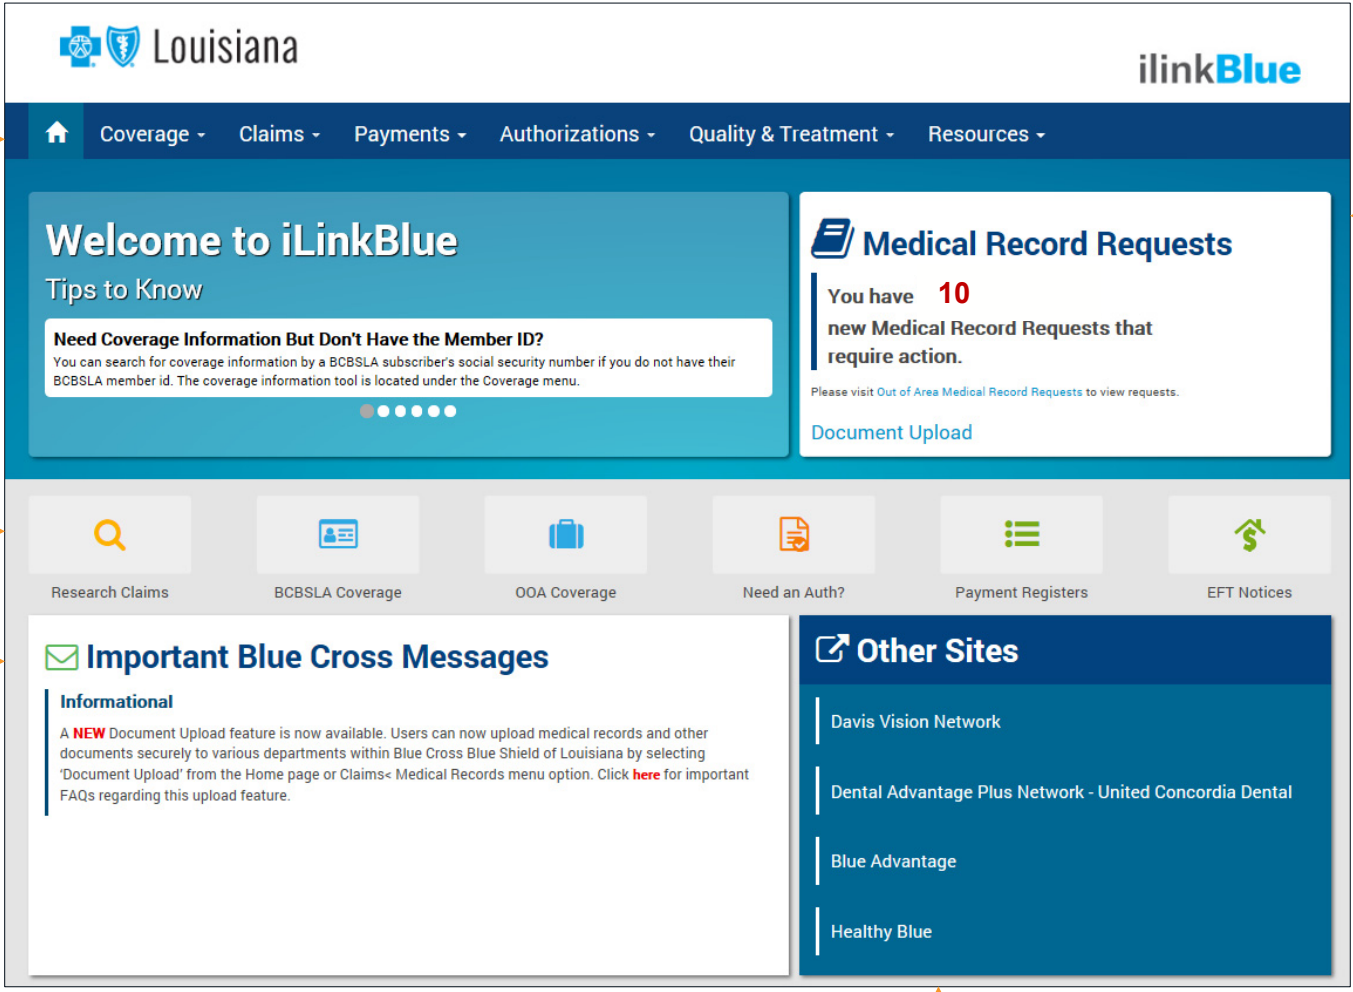

We recommend registering two or more options for account recovery.

When you log in, PingID will send a passcode to your registered method and prompt you to enter it on your computer.

## Top Navigation

The top navigation streamlines the iLinkBlue functions under six menus. When you click a menu option, a sub-menu appears that includes relevant features.

The screenshot shows the iLinkBlue website interface. At the top, there is a header with the Louisiana Blue Cross and Blue Shield logo and the iLinkBlue logo. Below the header is a navigation bar with six menus: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The main content area is divided into several sections. On the left, there is a 'Welcome to iLinkBlue' section with a 'Tips to Know' box. In the center, there is a row of six quick links: Research Claims, BCBSLA Coverage, OOA Coverage, Need an Auth?, Payment Registers, and EFT Notices. On the right, there is a 'Medical Record Requests' section showing 10 new requests that require action, with a 'Document Upload' link. Below the quick links, there is a 'Message Board' section with an 'Important Blue Cross Messages' box. On the far right, there is an 'Other Sites' section with links to Davis Vision Network, Dental Advantage Plus Network - United Concordia Dental, Blue Advantage, and Healthy Blue. Orange arrows point from the text callouts to the corresponding sections in the screenshot.

**Quick Links**  
This area contains shortcuts to the six most-used iLinkBlue functions.

**Message Board**  
Contains up-to-the minute posts for upcoming events, new features, system outages, holiday notices and other important bulletins.

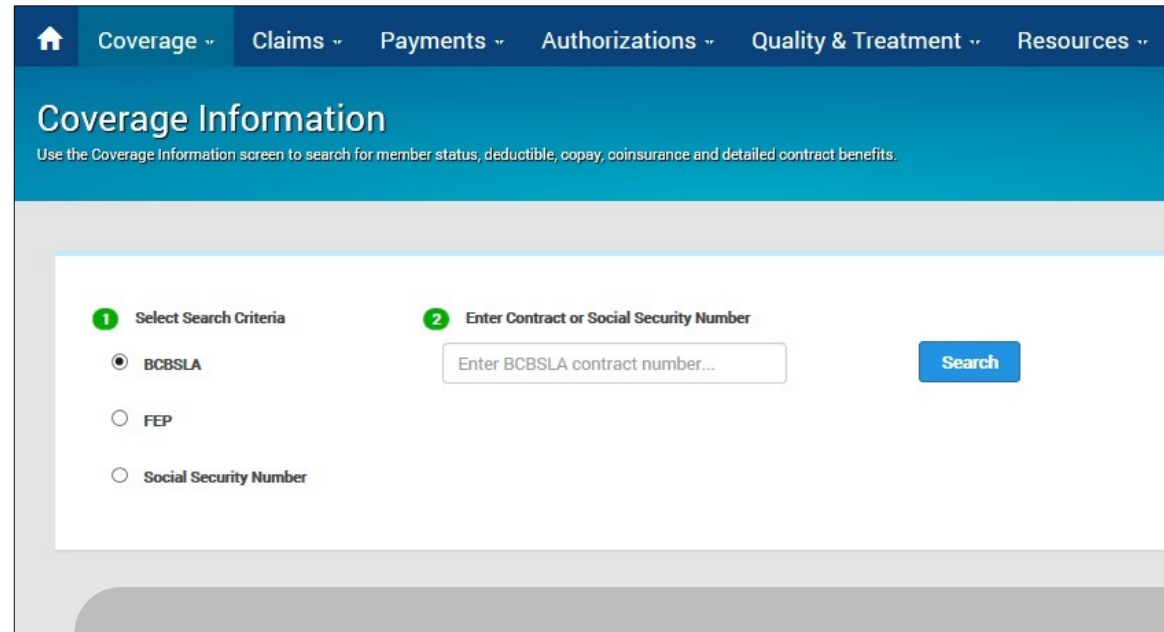

**Medical Record Requests**  
You receive an alert when you have Out of Area Medical Record Requests for BlueCard members. To view these requests, click the "Out of Area Medical Record Requests" link on the alert. This does not include medical record requests for BCBSLA members. To upload medical records and other documents, click the "Document Upload" link.

**Other Sites**  
We provide quick access to other sites a provider might need to access.

Use iLinkBlue ([www.bcbsla.com/ilinkblue](http://www.bcbsla.com/ilinkblue)) to lookup a member's coverage information.

Choose the "Coverage" menu option. Enter the member ID number to view coverage information for:

- BCBSLA (including HMO Louisiana, Inc.) members
- FEP members. This section is not used for out-of-area members.

The screenshot shows the iLinkBlue web application interface. At the top is a navigation bar with links: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. Below this is a section titled "Coverage Information" with a subtitle: "Use the Coverage Information screen to search for member status, deductible, copay, coinsurance and detailed contract benefits." The main content area has two steps: 1. Select Search Criteria, with radio buttons for BCBSLA (selected), FEP, and Social Security Number; and 2. Enter Contract or Social Security Number, with a text input field labeled "Enter BCBSLA contract number..." and a blue "Search" button.

## Tips

- BCBSLA – do not include the member's prefix.
- FEP – must include the letter "R"
- A different application is used for BlueCard (out-of-area) members

If you do not have the member ID number, you can search using the subscriber's Social Security Number (SSN), when available. iLinkBlue will return search results with the member ID number. An error message will display if searching by a dependent's SSN. It must be the SSN of the policy holder.

This screen identifies members covered on a policy, effective date and the status of the contract (active, pending, cancelled).

- The **View ID Card** button allows you to download a PDF of the member ID card.
- The **Summary** button allows you to view a benefit summary. It includes the member's cost share (deductible, copay and coinsurance) and remaining out-of-pocket amounts.
- The **Benefits** button allows you to view the coverage details of the member's benefits plan.
- The **View COB** button allows you to view coordination of benefits information.

Use the “Coverage” menu option to research BlueCard (out-of-area) member (insured through a Blue Plan other than Blue Cross and Blue Shield of Louisiana).

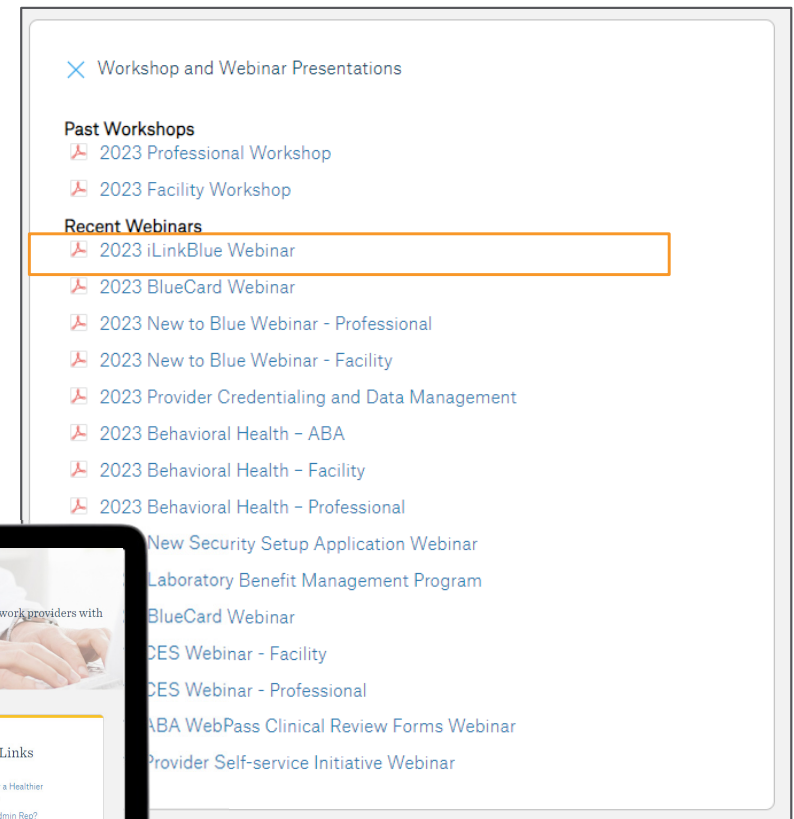

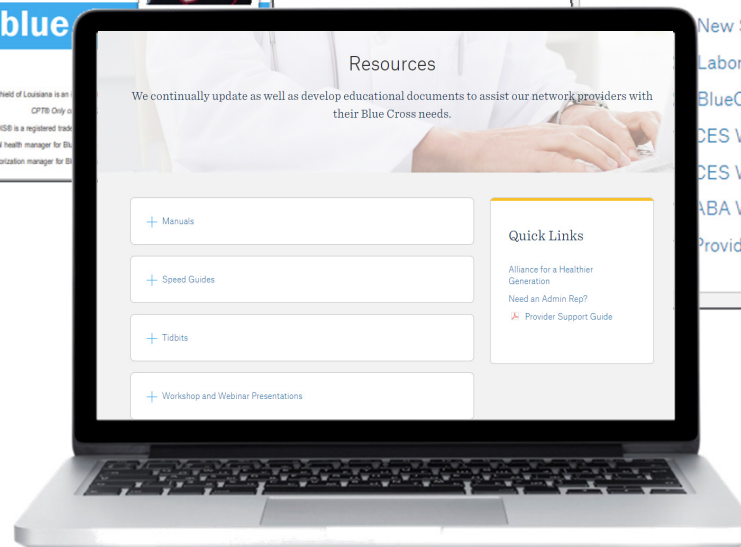

The screenshot shows a navigation bar with the following items: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The 'Coverage' item is highlighted with an orange box. Below the navigation bar, there are two main categories: 1. BCBSLA Members (with a link to Coverage Information) and 2. The 'BlueCard - Out of Area Members' category and its sub-links are circled in orange.

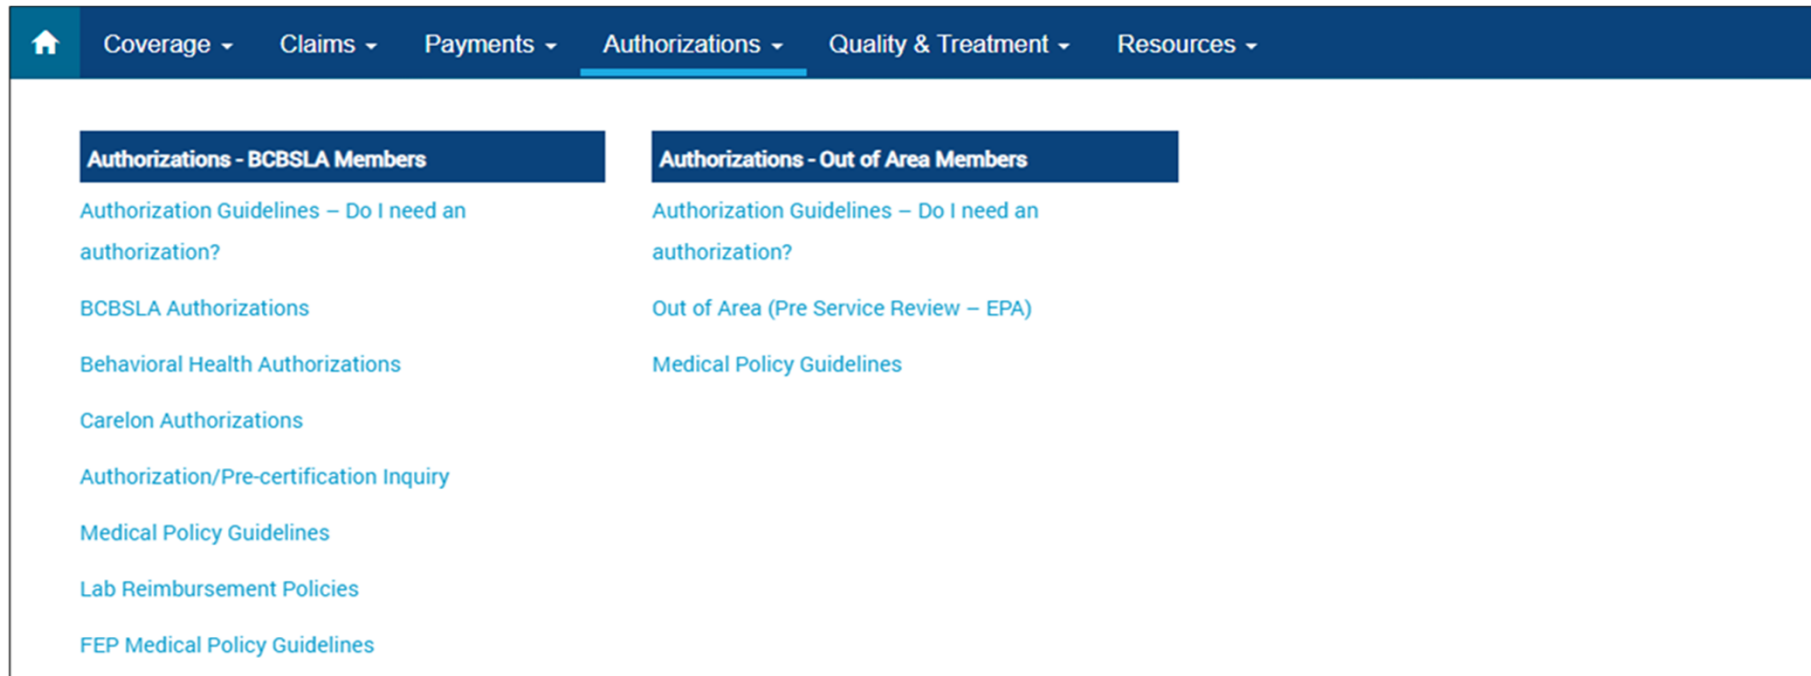

The screenshot shows the 'Eligibility Request (270)' form. The form is divided into three main sections: Contract Information, Patient Information, and Subscriber Information. The Contract Information section includes fields for Prefix\* and Contract Number\*. The Patient Information section includes fields for First Name\*, Middle, Last Name\*, and Suffix, as well as Date of Birth (mm/dd/yyyy), Gender (Select Gender T), and Service Type\* (Select Service Type). The Subscriber Information section includes fields for First Name, Middle, Last Name, and Suffix, with a note that these are only required if the patient and subscriber are not the same. A Submit button is located at the bottom right of the form.

# **Blue Cross Policies & Finding Authorization Information**

The Authorizations section of iLinkBlue includes resources and applications for both **BCBSLA Members** and **Out of Area Members**.

Many of the applications in this section require a higher level of security access.

- If the requested services are to treat a condition due to a complication of a non-covered service, claims will deny as non-covered regardless of medical necessity.
- Providers are responsible for checking member eligibility and benefits.

## Prior Authorization Mandate

- **Blue Cross does not accept authorization requests via phone or fax**, with a few exceptions including transplants, dental services covered under medical and out-of-state services.
- Prior authorization requests, including new and extension authorizations, must be submitted through our online BCBSLA Authorizations application available in iLinkBlue.
- The application allows providers to request authorizations 24 hours a day, seven days a week, in real time.
- In some cases, the application allows for immediate approval without Blue Cross personnel intervention.

For more information on how to use our BCBSLA Authorizations application, the *BCBSLA Authorizations Applications Professional User Guide* is available on iLinkBlue under the “Resources” tab, then click “Manuals.”

Creating an “Activity” is the **only** way to communicate with BCBSLA regarding authorizations. Do **not** use the “Notes” tab, as our Authorizations Department will not be notified.

An “Activity” **must** be added to an authorization when attempting to complete any of the following:

- Corresponding with our Authorizations Department
- Additional information is being forwarded
- Extending an authorization or adding additional services
- Changing an authorization
- Requesting peer-to-peer review (flag as critical)

**The “Activity” must be assigned to: Provider Request Worklist.**

**It is very important to follow this process to ensure authorizations are handled accurately and timely.**

Blue Cross requires providers to request prior authorizations through our BCBSLA Authorizations application. It is available online in iLinkBlue ([www.bcbsla.com/ilinkblue](http://www.bcbsla.com/ilinkblue)).

## BCBSLA Members

[Behavioral Health Authorizations](#) – behavioral health providers can request authorizations for behavioral health services and submit clinical information electronically. This web-based application is facilitated by Lucet.

[Carelton Authorizations](#) – submit and research authorizations for outpatient high-tech radiology, diagnostic, cardiology services, musculoskeletal (MSK) joint surgery, spine surgery, spine pain management and radiation oncology authorizations. This web-based application is facilitated by Carelon.

[Authorization/Pre-certification Inquiry](#) – view a provider's inpatient or outpatient authorizations on file with Blue Cross.

[Medical Policy Guidelines](#) – access the BCBSLA medical policy index to research Blue Cross' medical policies. Search for policies alphabetically by title or use the search bar to look by keywords or codes.

[Lab Reimbursement Policies](#) – access the policies used as part of Blue Cross' Lab Benefit Management Program. These policies are managed by Avalon.

[FEP Medical Policy Guidelines](#) – access medical policies that govern claims for Federal Employee Program members.

Blue Cross has partnered with Avalon Healthcare Solutions to manage our laboratory benefit management program.

Avalon provides:

- routine testing management services to ensure enforcement of laboratory policies
- automated review of high-volume, low-cost laboratory claims.

Blue Cross applies Avalon's automated policy enforcement to claims reporting laboratory services performed in office, hospital outpatient and independent laboratory locations.

*Note: Laboratory services, tests and procedures provided in emergency room, hospital observation, and hospital inpatient settings are excluded from this program.*

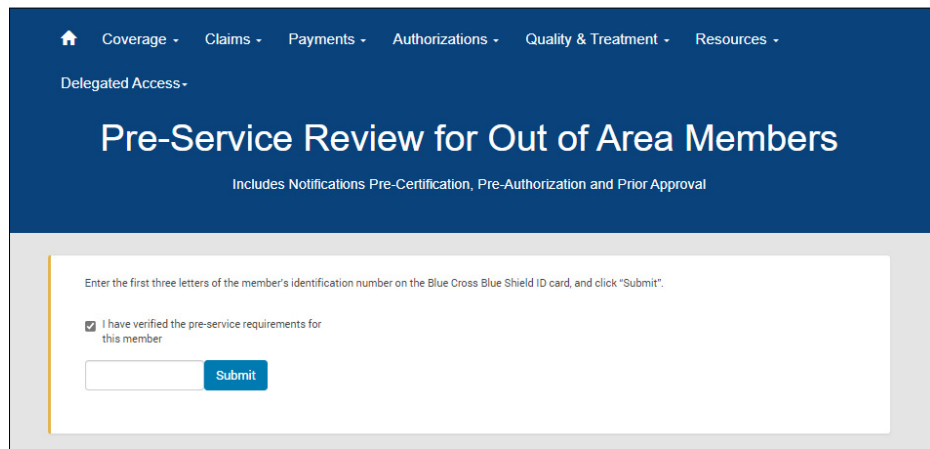

Providers can review and research laboratory policies and guidelines online at [www.bcbsla.com/providers](http://www.bcbsla.com/providers), click on "Medical Management," then "Lab Management."

## Out of Area Members

### Out of Area (Pre-Service Review – EPA)

This application routes you to the BlueCard member’s Blue Plan.

Enter the member ID prefix into the application to access pre-service capabilities, processes and requirements for your BlueCard patient.

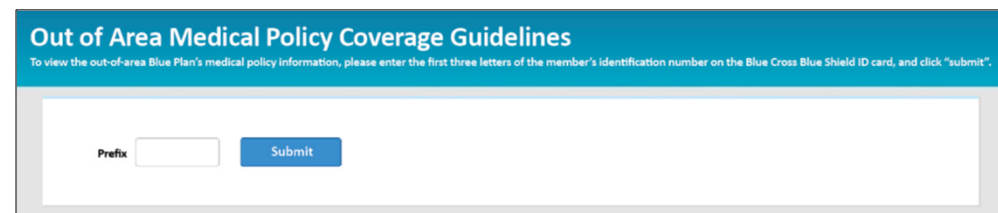

The screenshot shows a web application interface with a dark blue header. The header contains a navigation menu with links: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. Below the navigation menu is a section titled "Delegated Access" and a main heading "Pre-Service Review for Out of Area Members". Underneath the heading is a subtext: "Includes Notifications Pre-Certification, Pre-Authorization and Prior Approval". The main content area is white and contains a form. The form has a text input field with a placeholder text: "Enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click 'Submit'". Below the input field is a checkbox labeled "I have verified the pre-service requirements for this member". To the right of the checkbox is a "Submit" button.

### Medical Policy Guidelines

Just as BCBSLA publishes medical policies for services provided to our members, it is the same for other Blue Plans. Use this application to access medical policies for BlueCard (out-of-area) members.

Enter the member ID prefix to be routed to the member’s Blue Plan to research applicable medical policy information.

The screenshot shows a web application interface with a teal header. The header contains a heading "Out of Area Medical Policy Coverage Guidelines" and a subtext: "To view the out-of-area Blue Plan's medical policy information, please enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click 'submit'". The main content area is white and contains a form. The form has a text input field with a placeholder text: "Prefix". To the right of the input field is a "Submit" button.

# Claims Research

## Electronic Data Interchange (EDI)

- The fastest, most efficient way to exchange eligibility information, payment information and claims.
- Blue Cross' experienced EDI staff is ready to assist in determining the best electronic solution for your needs.

## Electronic Transaction Exchange

- Various healthcare transactions can be submitted electronically to the Blue Cross clearinghouse in a system-to-system arrangement.
- Blue Cross does not charge a fee for electronic transactions.
- You can send your transactions to Blue Cross via indirect submission through a clearinghouse or through direct submission to the Blue Cross EDI Clearinghouse.

For more information about system-to-system electronic transactions, please contact EDI Services at [EDIservices@bcbsla.com](mailto:EDIservices@bcbsla.com) or at 1-800-716-2299, option 3.

## Electronic Transmission

Blue Cross accepts electronic claims transmitted via HIPAA 837P and 837I submitted electronically through your clearinghouse.

We do not charge a fee for electronic transactions.

Providers can submit transactions directly to us or indirectly through a third-party clearinghouse.

For more information on how to submit electronic claims to Blue Cross, visit [www.bcbsla.com/providers](http://www.bcbsla.com/providers) >Electronic Services >Clearinghouse Services.

Use this section to access your Blue Cross payment information. Two years of payment registers and EFT notifications are available in iLinkBlue. EFT notifications for the week appear in the search results.

- **Payment Registers** – view, print or save your payment registers. If you have access to multiple NPIs, registers will be available for each.
- **EFT Notifications** – view Electronic Funds Transfer (EFT) Notifications. If you have access to multiple NPIs, EFT notifications will be available for each.

## Need a past EFT Notification/Payment Register?

Weekly EFT notifications and payment registers are available to providers on Mondays, based on claims payments from the previous week.

Set the calendar feature in the search feature to the date of a Monday within the last two years. This allows you to see past EFT notifications or payment registers.

The screenshot shows a web application for researching claims status. At the top, a dark blue navigation bar contains a home icon and several menu items: Coverage, Claims (highlighted with an orange circle), Payments, Authorizations, Quality & Treatment, and Resources. Below the navigation bar, a teal header section displays 'Claims Status' and a sub-instruction: 'To begin your search for claims status click on one of the tabs below.' Underneath this header, there are three tabs: 'Paid/Rejected', 'Pended' (which is active), and 'Claim Number'. The main content area is a search form with three numbered steps: 1. 'Select a Provider' with a radio button selected for 'BCBSLA / FEP' and an empty text field; 2. 'Narrow Your Search' with a radio button for 'BlueCard - Out of Area'; 3. 'Date of Service' (optional) with 'From' and 'To' date pickers, where 'To' is set to '01/19/2018'. A blue 'Search' button is located at the bottom right of the form.

- Use the “Claims” menu option to research paid, rejected and pended claims.
- You can research [BCBSLA, FEP](#) and [BlueCard-Out of Area](#) claims submitted to Blue Cross for processing.

Action Requests allow you to electronically communicate with Blue Cross when you have questions or concerns about a claim.

## Common reasons to submit an Action Request

- Claim status (detailed denials)
- Claim denied for coordination of benefits
- Claim denied as duplicate
- Claim denied for no authorization (but there is a matching authorization on file)
- Information needed from member (coordination of benefits, subrogation)
- Medical records receipt
- No record of membership (effective and term date)
- Questioning non-covered charges
- Recoupment request
- Status of an appeal
- Status of a grievance

Action Requests do not allow you to submit documentation regarding your claims review.

In iLinkBlue, on each claim, there is an **Action Request** button. It opens an electronic form that prepopulates with information on the specific claim. There are multiple places within iLinkBlue that include the action request buttons.

## When submitting an Action Request:

- Include your contact information
- Be specific and detailed
- Allow 10-15 working days for a response to each request
- Check in Action Request Inquiry for a response
- Submit a second request if there was no resolution

The screenshot shows a web form titled "Submit Action Request" with a close button (X) in the top right corner. Below the title is a light blue horizontal line, followed by the instruction: "To submit an action request, complete the fields below." The form is divided into two main sections. The left section contains the following fields: "Action" (a dropdown menu with "Select One" and a downward arrow), "First Name" (a text box with "First" as a placeholder), "Last Name" (a text box with "Last" as a placeholder), "Phone Number" (a text box with "XXX-XXX-XXXX" as a placeholder and a separate "ext" box), and "Notes" (a large text box with the placeholder "Type the details of your request. Max 400 characters."). The right section, titled "Claim Details", contains four fields: "Contract Number", "Claim Number", "Date of Service", and "Date Processed". A blue button labeled "Submit Action Request" is located at the bottom right of the form.

As a second step to [submitting an Action Request](#), if you did not get a resolution, you may also contact the [Customer Care Center](#) using the number on the back of the patient's member ID card.

iLinkBlue includes two applications you can use to research Blue Cross allowables:

- **Professional Provider Allowable Charges Search**
- **Outpatient Facility Allowable Charges Search**

**FEP Dental Allowables (PDFs)** – this section includes printable PDFs for FEP Preferred Network dentists.

## Professional Allowable Search

To begin an allowable charges search, enter a date and select a provider.

**1 Select a Date**  
 

**2 Select a Provider**

**3 Select a Network**

**4 Enter a CPT Code\***

Continue

Reset

View Allowables

\* An asterisk (\*) can be used as a wild card (ex 99\*)

## Professional Allowable Search

- When searching for an allowable charge enter the date of service, appropriate network and the code.
- The date of service is important because you can search current, past or future (when available) allowable charges.

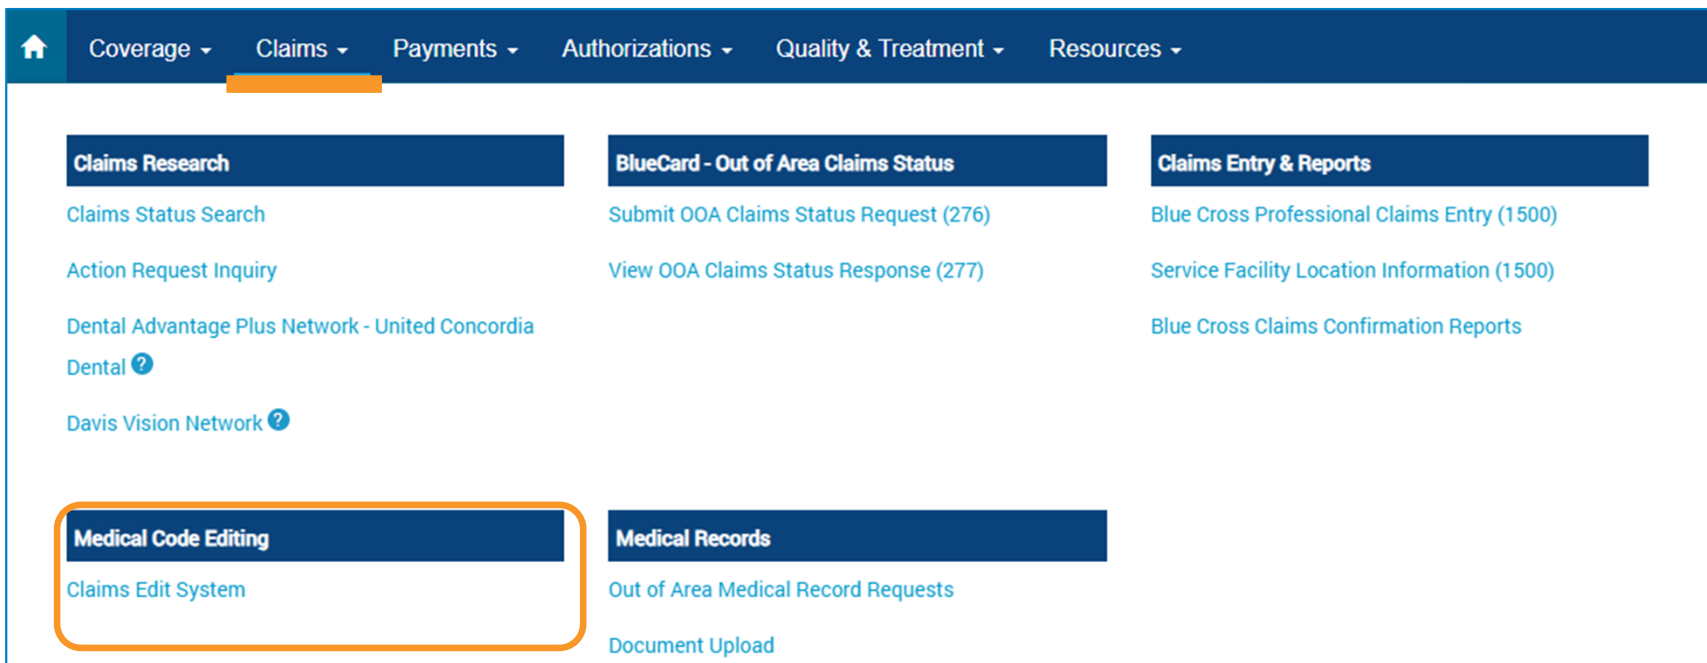

Providers must use iLinkBlue for professional allowable charges. Our Customer Care Center cannot assist with this service.

# Claims Editing

Use this section to evaluate code combinations to help reduce time-consuming disputes.

**Claims Edit System** – This is an easy-to-use code-auditing reference application designed to help providers determine claim edit outcomes.

The CES application in iLinkBlue is not a pricing or a claims processing application. It is a research application designed to evaluate code combinations in the Blue Cross claims-editing system.

The screenshot shows the iLinkBlue navigation menu. The 'Claims' tab is selected and highlighted with an orange bar. Below the navigation bar, there are several categories of links. The 'Medical Code Editing' category is highlighted with an orange border and contains the link 'Claims Edit System'. Other categories include 'Claims Research', 'BlueCard - Out of Area Claims Status', 'Claims Entry & Reports', and 'Medical Records'.

# Helpful Reminders

- Allows identification of high-risk patients.
- Allows opportunities to engage patients in care management programs and care prevention initiatives.
- Reduces the administrative burden of medical record requests and adjusting claims for both the provider and Blue Cross.
- Reduces costs associated with submitting corrected claims.
- Use of Category II Codes can reduce the need for medical records.

- Include chronic conditions in documentation.
- Code to the highest specificity.
- Monitored, Evaluated, Assessed or Treated (MEAT) should be noted.
- Clarify whether a condition is **chronic** or **acute**.
- Clarify whether a condition is **controlled** or **uncontrolled** to document the current status of condition/how it is being managed.
- Clarify the **type of diabetes** (if applicable).

Example: Notes may say "Diabetes Type II and CKD Stage III,"  
but if stated as "CKD III Due to Diabetes," it would result in a different ICD-10 Code.

**Improper documentation could result in audits and/or the request  
of medical records.**

From time to time, you may receive a medical record request from us or one of our vendors to perform medical record chart audits on our behalf.

- Per your Blue Cross network agreement, **providers are not to charge a fee** for providing medical records to Blue Cross or agencies acting on our behalf.
- If you use a copy center or a vendor to provide us with requested medical records, providers are to ensure we receive those records without a charge.
- You do not need to obtain a distinct and specific authorization from the member for these medical record releases or reviews.
- The patient's Blue Cross subscriber contract allows for the release of the information to Blue Cross or its designee.
- iLinkBlue has a Document Upload feature allowing documents, including medical records for retrospective or post claim review, to be uploaded that would otherwise be faxed, emailed or mailed.

Providers are required to use our self-service tools for:

- Member eligibility
- Claim status inquiries
- Professional allowable searches
- Medical policy searches

These services will no longer be handled directly by our Customer Care Center.

# Credentialing, Recredentialing & Updating Your Information

## Credentialing is Required for Network Participation

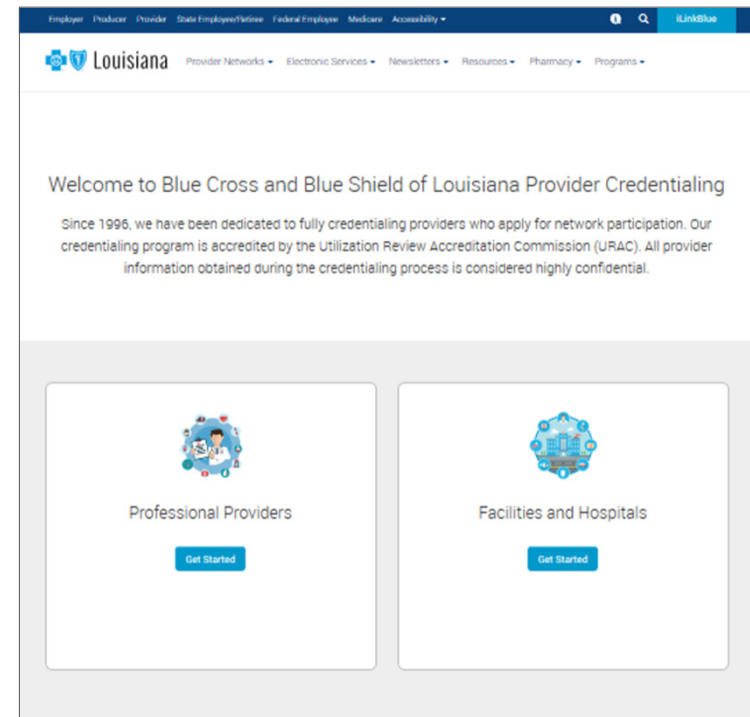

Blue Cross and Blue Shield of Louisiana credentials all practitioners and facilities that participate in our networks.

We partner with **sympplrCVO** to conduct credentialing verification processes for our commercial networks.

To join our networks, you must complete and submit documentation to start the credentialing process or to obtain a provider record.

- Go to the [Join Our Networks](#) page then, select [Professional Providers](#) or [Facilities and Hospitals](#) to find:
  - Credentialing packets
  - Quick links to the Provider Update Request Form
  - Credentialing criteria for professional, facility and hospital-based providers
  - Frequently asked questions (FAQs)

# Appendix

In addition to reimbursement during credentialing, Act 897 allows providers a 30-day expedited application for reimbursement during credentialing.

To qualify for the expedited time frame, providers must meet the following requirements:

- Provider must have admitting privileges to a network hospital or an approved exception. Provider must list this information in the hospital affiliations section on the appropriate credentialing application.
- Must have the same provider type agreement on file with Blue Cross (e.g., physician, allied health, facility, dental agreements).
- Agrees to hold our members harmless for payments above the allowable amount.

## Requesting expedited processing:

**Include with the initial credentialing application via DocuSign:**

- Letter asking Blue Cross to invoke the expedited process.
  - The letter must include your agreement to hold our members harmless for payments above the allowable amount.
  - The letter must be on company letterhead and signed by the provider.
- Signed admitting privileges agreement to a network hospital.

The Letter, included in the initial credentialing application via DocuSign, must:

- Ask Blue Cross to invoke the Louisiana law that extends existing requirements for credentialing of physicians to all healthcare providers;
- Include your agreement to hold our members harmless for payments above the allowable amount;
- Be on letterhead and signed by the provider.

## Sample Letter

**{Date}**

*Dear Blue Cross and Blue Shield of Louisiana:*

*In accordance with the Louisiana law extending certain requirements for credentialing of physicians to all healthcare providers, please accept this written request to reimburse **{provider's name}** for services provided as a new provider at **{provider's group name}** at our group contract rate and with in-network benefits. **{Provider's group name}** agrees that all contract provisions, including holding covered members harmless for charges beyond the Blue Cross allowable amount and the member's cost share amount (deductible, coinsurance and/or copayment, as applicable) will apply to the new provider.*

***{Signature of the provider}***

## HIPAA 835 Transaction

- Providers who submit claims electronically can receive an electronic file containing their weekly Provider Remittance Advice/Payment Register (ERA).
- The ERA is available Monday mornings, allowing providers to begin posting payments as soon as possible.
- ERA specifications are available from Blue Cross at no cost to vendors and providers, but they do require programming changes by your practice management billing system vendor. Traditionally, there is an upfront fee from your billing system vendor for programming.
- From that point, you may receive the Blue Cross weekly Remittance Advice/Payment Register at no charge.

For more information, please contact Blue Cross EDI Services at [EDIservices@bcbsla.com](mailto:EDIservices@bcbsla.com) or at 1-800-716-2299, option 3.

Use the following billing guidelines to report required NDCs on professional CMS-1500 claims:

- NDC code editing will apply to any clinician-administered drugs billed on the claim, including immunizations. The claim must include any associated HCPCS or CPT code (except HCPCS codes beginning with the letter "A").
- Each clinician-administered drug must be billed on a separate line item.
- Claims that do not meet the requirements will be rejected and returned on your "Not Accepted" report. Units indicated would be "1" or in accordance with the dosage amount specified in the descriptor of the HCPCS/CPT code appended for the individual drug.
- Providers may bill multiple lines with the same CPT or HCPCS code to report different NDCs.
- The following NDC edits will apply to electronic and paper claims that require an NDC, but no valid NDC was included on the claim:
  - NDCREQD – NDC CODE REQUIRED
  - INVNDC – INVALID NDC

Failure to report NDCs on claims will result in automatic rejections.

## For Hardcopy Claims

On the CMS-1500 claim form, report the NDC in the shaded area of Box 24A. We follow the CMS guidelines when reporting the NDC. The NDC should be preceded with the qualifier N4 and followed immediately by a valid CMS 11-digit NDC code fixed length 5-4-2 (no hyphens), e.g., N49999999999. The drug quantity and measurement/qualifier should be included.

## For Electronic Claims 837P

Report the 11-digit NDC in loop 2410, Segment LIN03 of the 837. The NDC will be validated during processing. The corresponding quantity and unit(s) of measure should be reported in loop 2410 CTP04 and CTP05-1. Available measures of units include the international unit, gram, milligram, milliliter and unit.

## For iLinkBlue Claims (Professional Only)

Select 24K to expand the claim line to report the NDC, Quantity and Measurement:

- NDC Code Field: Enter the 11-digit NDC code. No alpha characters, spaces or hyphens can be present.
- Quantity: Numeric value of quantity.
- Measurement: Select the appropriate measurement from the drop-down menu.
  - F2 – International Unit
  - GR – Gram
  - ME – Milligram
  - ML – Milliliter
  - UN – Unit

You must enter the NDC on your claim in the 11-digit billing format (no spaces, hyphens or other characters). If the NDC on the package label is less than 11 digits, you must add a leading zero to the appropriate segment to create a 5-4-2 format.

**How should the NDC be entered on the claim? See the examples below:**

| 10-Digit Format on Package | 10-Digit label format Example | 11-Digit Format | 11-Digit Format Example |
|----------------------------|-------------------------------|-----------------|-------------------------|
| 4-4-2                      | 9999-9999-99                  | 5-4-2           | 09999-9999-99           |
| 5-3-2                      | 99999-999-99                  | 5-4-2           | 99999-0999-99           |
| 5-4-1                      | 99999-9999-9                  | 5-4-2           | 99999-9999-09           |

If the NDC is not submitted in the correct format, the claim will be denied.

- Most of our members follow a Covered Drug List. Covered Drug Lists include thousands of generic and brand drugs, but not all drugs.
- **Please consider prescribing drugs that are covered** or have lower out-of-pocket costs when you believe it is appropriate. If members fill a prescription drug that is not on the covered drug list, they could have to pay the full cost of the drug out of pocket.
- **You may ask for a clinical review** (similar to prior authorization) if your patient has a medically necessary need for a *non-formulary* drug. Find information about submitting a prior authorization at [www.bcbsla.com](http://www.bcbsla.com) >Provider >Pharmacy. This is not available for drugs excluded from coverage.

You and your patients can check the Covered Drug List and find up-to-date information about drug coverage at [www.bcbsla.com/covereddrugs](http://www.bcbsla.com/covereddrugs).

Accuracy and specificity in medical record documentation and coding is critical in creating a complete clinical profile of each individual patient.

- Each page of the patient's medical records should include the following for a face-to-face visit:
  - Patient name
  - Date of birth or other unique identifier
  - Date of service including the year
- Provider signature (must be legible and include credentials).
- Report ALL applicable diagnoses on claims and report at the highest level of specificity (CMS-1500 claim forms can accommodate up to 12 diagnosis codes).
- Include all related diagnoses, including chronic conditions you are treating.
- Medical records **must support ALL** diagnosis codes on claims.
